

Certified General Contractor # CGC 1518022

We are Your One Stop Solution

WHO WE ARE

ALTA Home Remodeling, Co. is a Service Disabled Veteran Owned Business and full service construction contractor specializing in turnkey design-build services for commercial, Industrial and residential facilities.

We have provided over 12 years of maintenance / property preservation support services to industrial facilities, shopping centers, office buildings and Private communities.

ALTA Home Remodeling delivers onsite expertise in construction, installation and maintenance, project management, and team support to every project.

VISION

To become a leader in the construction industry setting the standard as the company that best identifies and satisfies the objectives of our clients.

MISSION

Our objective is simple; to perform for all of our clients. Every task we undertake is anchored on the reputation that we have earned over the years – a reputation for high-quality workmanship, excellent rapport with clients, on-schedule and on budget project completion, safety, and high customer satisfaction.
